All the work that is performed by IMPACT is done free of charge to the resident, including labor and materials. You will begin the morning with breakfast and small group time. At noon, you will leave for the job site. In the evening, you will have dinner and worship. There are other optional evening activities.

### **What to Bring?**

Each student will be required to bring a bible, two (2) paintbrushes and a paint bucket, a hammer, safety goggles and work gloves. All other materials are provided by IMPACT Ministries.
